7	<p>WARRIOR TOURNAMENT.</p> <p>TB asked everyone if they enjoyed the Warrior Tournament and did they wish to continue to enter or would they like to take up SABA's offer of an alternative 'tournament of champions'. It was agreed to stay with the entry into the Warrior Tournament. As a backup plan if the Warrior tournament did not continue we would consider the SABA proposal providing they hosted it first.</p>	<p>CHAIRMAN</p> <p>Comp Sec</p>
8	<p>MEN'S LEAGUE STRUCTURE 2011/12.</p> <ol style="list-style-type: none"> 1. MM stated that he would like to even up the numbers in each division. MM outlined things as they stood from a relegation/promotion perspective and asked all club/team secretaries put their preferences as to which division they would like to be in on their entry form. 2. TB reminded everyone that any outstanding fines from the 2010/11 season must be paid before the start of the 2011/12 season or any games played would be voided 20 – 0 with the possibility of future expulsion from all competitions if still not paid. 	<p>OPEN DIV'S LEAGUE MGR</p> <p>All</p> <p>All</p>
9	<p>WOMEN'S LEAGUE STRUCTURE 2011/12.</p> <ol style="list-style-type: none"> 1. JCB explained the difficulties encountered this season with regard to the 'Dimond' system with the split after Christmas. TB reminded everyone that it was agreed at last year's AGM that it would be used providing entries were between 10-12 teams. After much debate the Chairman and the membership agreed the following changes if there were between 10-12 teams next season: <ol style="list-style-type: none"> a. The season will start no later than the 3rd week in September. b. No games will be played after the second week in December with any games not played voided. 	<p>WOMEN'S LEAGUE MGR</p>

	<p>c. Results from the pre-Christmas league will not be carried forward.</p> <p>2. It was felt by all present that this would help to solve the problems highlighted from last season if 10-12 teams enter next season. If less than 10 teams enter we will revert to one division. If more than 12 teams enter we will go to two divisions using last season's final league tables as the basis for deciding which division teams would be in.</p>	<p>JCB/IL</p>
<p>10</p>	<p>PROPOSALS:</p> <p>1. Additions to League regulation 5:</p> <p><u>Part one:</u></p> <p>Limit the amount of teams permitted to play on Sundays to a manageable number to be set by the League committee subject to the number of Referees available to officiate on Sundays. The limit will be decided and set prior to the issue of entry forms. Clubs with more than one team will be given priority but only one of their teams may play on a Sunday. The remaining Sunday slots will be allocated on a first come first served basis when entries are submitted. Any new teams entering will be advised that they will not be permitted to play on a Sunday. Once the limit set is reached any team wishing to enter that plays on a Sunday must resubmit their entry with a different playing day.</p> <p><u>Part two:</u></p> <p>Any team that plays on a Sunday is NOT permitted to have a National League Referee as their nominated official and if they have a team member on the committee this will not negate the requirement to provide a referee who is able to officiate on Sundays.</p> <p>2. Addition to League regulation 5:</p> <p>From the beginning of the 2012/2013 season all Open Division One and Ladies Division One matches must have at least one qualified and registered table official. Failure to comply with this regulation will result in a £10 fine for each occurrence.</p> <p>3. New League and Cup regulation:</p> <p>For teams that enter Wessex League and/or cup competitions in addition to entering competitions in another Area, e.g.: Solent. Priority must be given to games played under the jurisdiction of Wessex Area. If a Wessex Area game is postponed in favour of a game in another Area competition then that game shall be forfeit 20 - 0</p>	<p>CHAIRMAN</p> <p>Not carried.</p> <p>Agreed.</p> <p>Carried.</p> <p>Carried.</p>

11	<p>AOB:</p> <p>a. Decision on attire worn on religious grounds.</p> <p>The Chairman explained the background behind the question raised regarding two female players requests to wear full tracksuits under their playing kit on religious grounds. He explained that the Wessex Area welcomed all participants regardless of race, ethnic background or religious beliefs. Whilst the religious requirements of female players are respected, the Wessex Area has a responsibility to all its members to ensure equality. After consultation with EB, and committee members, it has been decided that where a female player wishes to keep her body covered on religious grounds the following rule will apply:</p> <p>Tight fitting leggings and undershirts (e.g. lycra) that fully cover arms and legs, which is a similar colour to the home kit, may be worn when written permission has been granted by the Wessex Area committee. A tight fitting headscarf may also be worn but the face must be fully visible.</p> <p>b. RMC Matters & Representatives.</p> <p>Tim and Mary Brown were unanimously voted in as the Wessex Area representatives for the Regional Management Committee (South). The Chairman explained that the grant made by Wessex was put to good use for the regional age group teams as our contribution to development in the area. Reports are being requested from the coaches with regard to selection and achievements.</p> <p>c. EB decision on new court markings.</p> <p>The Chairman notified the EB decision that any court that had the new court markings is now permissible and would be played on accordingly. RB asked if the 'no charge circle would apply. TB explained that it would not until the rule was applied post the Olympics.</p> <p>d. Referees course/courses.</p> <p>The Chairman informed that Wessex is running a Level 2 Referees course in September over two Sunday's at Richard Aldworth School Basingstoke. Details can be found on the website and have also been circulated to all club and team secretaries. It is hoped that a table official's course will be run in tandem with this course, details to follow.</p>	<p>Chairman</p> <p>All</p> <p>Chairman</p> <p>All</p> <p>Chairman</p> <p>All</p> <p>Chairman</p> <p>All</p>
